

With your support we can make a huge difference to the Hippodrome Theatre and Eastbourne

The newly formed Management Team of the Royal Project would like to bring you up to date with the latest news and developments regarding the Royal Hippodrome Theatre. From January 2011 we will be sending out a bi-annual newsletter as well as holding various open evenings and events for all supporters and members of the project. One of the first jobs of The Management Team is to compile a database of all supporters together with any skills they feel they may have to bring to the project to push it forward. Your skills could be invaluable to the project when particular matters arise, so please don't hide your light under a bushel!
